Public Document

February 24, 2012

On February 23, 2012, the Department of Commerce (“Department”) initiated an administrative review of the antidumping duty order on wooden bedroom furniture from the People’s Republic of China (“PRC”). In advance of the issuance of the antidumping questionnaire, the Department asks that you respond to Attachment I to this letter by providing the requested information on the quantity and U.S. dollar sales value of all exports to the United States during the period January 1, 2011 through December 31, 2011, of merchandise covered by the scope of the order that was produced in the PRC. The scope of the order is included in Attachment II to this letter, and general instructions for responding to this letter are contained in Attachment III to this letter. Also, an electronic copy of the Q&V Questionnaire may be found on the internet at the following address: <http://trade.gov/ia>. **Please be advised that receipt of this letter does not indicate that you will be chosen as a mandatory respondent because the Department may find it is necessary to limit individual examination of respondents and conduct respondent selection under section 777A(c)(2) of the Tariff Act of 1930, as amended (“the Act”). Also, please be advised that receipt of this letter does not guarantee separate rate status. Please note that your response to this letter may be subject to on-site verification by Department officials.**

Your response to the Q&V Questionnaire is due to the Department no later than **March 15, 2012**. Please note that due to time constraints in this administrative review, the Department does not intend to extend the deadline for responding to the attached Quantity and Value Questionnaire. All responses to the attached Quantity and Value Questionnaire must be made electronically using the Department’s IA ACCESS website at <http://iaaccess.trade.gov> (see the instructions in Attachment III). In addition, all submissions to the Department must be accompanied by a Certificate of Accuracy from company officials and, if represented by legal counsel or other firm, a Certificate of Accuracy from the representative. Further, all submissions to the Department must be served on the appropriate interested parties. A list of interested parties may be found at <http://web.ita.doc.gov/ia/webapotrack.nsf> under “People’s Republic of China” and “Wooden Bedroom Furniture”. Certificates of service and accuracy are in Attachment IV.

INTERNATIONAL
TRADE
ADMINISTRATION

Companies that had no exports, sales, or entries of subject merchandise during the period January 1, 2011 through December 31, 2011 to which the Department issued the Q&V Questionnaire should properly file a timely Q&V Questionnaire response that indicates that the company had no exports, sales, or entries of subject merchandise during that period.

If you fail to respond or fail to provide the requested quantity and value information, please be aware that the Department may find that you failed to cooperate by not acting to the best of your ability to comply with the request for information, and may use an inference that is adverse to your interests in selecting from the facts otherwise available, in accordance with section 776(b) of the Act.

In general, the Department has found that determinations concerning whether particular companies should be “collapsed” (*i.e.*, treated as a single entity for purposes of calculating antidumping duty rates), require a substantial amount of detailed information and analysis, which often require follow-up questions and analysis. Accordingly, the Department will not conduct collapsing analyses at the respondent selection phase of this review and will not collapse companies at the respondent selection phase unless there has been a determination to collapse certain companies in a previous segment of this antidumping proceeding (*i.e.*, investigation, administrative review, new shipper review or changed circumstances review). For any company subject to this review, if the Department determined that company should be collapsed with others, or continued to treat that company as collapsed with others, the Department will assume that such companies continue to operate in the same manner and will collapse them for respondent selection purposes. Otherwise the Department will not collapse companies for purposes of respondent selection.

A company responding to this Q & V Questionnaire that the Department has not determined to collapse with other companies, or not treated as collapsed with other companies, in the most recently completed segment of the proceeding should only report Q&V data for itself. Such a company should not include data for any other party, even if the company believes it should be treated as a single entity with other parties. If the Department has determined to collapse your company with other companies in the most recently completed segment of this proceeding, or has treated your company as collapsed with others in the most recently completed segment of this proceeding, please report the requested information for the collapsed entity. Parties are requested to (a) identify which companies subject to review previously were collapsed, and (b) provide a citation to the proceeding in which they were collapsed.

To assist you in filing your response to this Q&V Questionnaire, we have provided a checklist in Attachment V which covers many of the major filing requirements (also see the General Instructions in Attachment III). The checklist should be submitted with your response to the Q&V Questionnaire. Confirm that you have complied with the applicable items in the checklist by checking the appropriate item.

We appreciate your attention to these matters. Please contact Rebecca Pandolph at 202-482-3627 or at Rebecca.Pandolph@trade.gov or Patrick O'Connor at 202-482-0989 or at Patrick.O'Connor@trade.gov, if you have any questions.

Sincerely,

CASE: **Wooden Bedroom Furniture from the People's
Republic of China**

PERIOD OF REVIEW: **January 1, 2011 to December 31, 2011**

DATE OF INITIATION: **February 23, 2012**

DUE DATE FOR Q&V RESPONSE: **March 15, 2012**

OFFICIALS IN CHARGE: **Rebecca Pandolph
Patrick O'Connor**

On February 23, 2012, the Department of Commerce (“Department”) initiated the administrative review of the antidumping duty order on wooden bedroom furniture from the People’s Republic of China (“PRC”) covering the period January 1, 2011 through December 31, 2011.

Section 777A(c)(1) of the Tariff Act of 1930, as amended (“Act”), directs the Department to calculate individual dumping margins for each known exporter and producer of the subject merchandise. Where it is not practicable to examine all known producers/exporters of subject merchandise, as is the case in this administrative review, section 777A(c)(2) of the Act permits the Department to examine either (1) a sample of exporters, producers or types of products that is statistically valid based on the information available at the time of selection; or (2) exporters and producers accounting for the largest volume of the subject merchandise from the exporting country that can be reasonably examined.

In advance of the issuance of the full antidumping questionnaire, we ask that you respond to Attachment I of this Quantity and Value Questionnaire requesting the quantity and U.S. dollar sales value of all exports to the United States during the period January 1, 2011 through December 31, 2011, of merchandise covered by the scope of the order (*see* Attachment II), produced in the PRC. A full and accurate response to the Quantity and Value Questionnaire from all participating respondents is necessary to ensure that the Department has the requisite information to appropriately select mandatory respondents.

The Department is also requiring all firms that wish to qualify for separate-rate status to complete a Separate Rate Application or Separate Rate Certification as described in the Notice of Initiation. Firms to which the Department issues a Q&V Questionnaire must submit a timely and complete response to the Q&V Questionnaire, in addition to a timely and complete Separate Rate Application or Separate Rate Certification in order to receive consideration for separate-rate status. In other words, the Department will not give consideration to any timely Separate Rate Certification or Separate Rate Application made by parties to whom the Department issued a Q&V Questionnaire but who failed to respond in a timely manner to the Q&V Questionnaire. The Separate Rate Application and Separate Rate Certification, as well as the due dates by which the Department must receive the application or certification can be found on the Department’s website at <http://ia.ita.doc.gov/nme/nme-sep-rate.html>. The dates by which the Department must receive your Separate Rate Application or Separate Rate Certification are also identified in the Notice of Initiation in Attachment VI to this letter.

A definition of the scope of the merchandise subject to this review is included in Attachment II, and general instructions for responding to this Quantity and Value Questionnaire are contained in Attachment III. **Your response to this questionnaire may be subject to on-site verification by Department officials.**

ATTACHMENT I
FORMAT FOR REPORTING QUANTITY AND VALUE INFORMATION

In providing the information in the table below, please provide the total quantity in containers¹ and total value (in U.S. dollars) of all your sales of merchandise covered by the scope of this review (see enclosed scope description in Attachment II), produced in the People's Republic of China, and exported/shipped to, or entered into, the United States during the period January 1, 2011 through December 31, 2011.

- Please include only information for subject merchandise exported by your company directly to the United States.
 - ♦ However, if your company made sales to third-countries for which you have knowledge that the merchandise was ultimately destined for the United States, please separately report the requested information for these sales and the location (i.e., countries) to which you made the sales.
- Please do not include shipments of wooden bedroom furniture manufactured in Hong Kong in your figures.

A company responding to this Q & V Questionnaire which the Department has not determined to collapse with other companies, or not treated as collapsed with other companies, in the most recently completed segment of the proceeding should only report Q&V data for itself. Such a company should not include data for any other party, even if the company believes it should be treated as a single entity with other parties. If the Department has determined to collapse your company with other companies in the most recently completed segment of this proceeding, or has continued to treat your company as collapsed with others in the most recently completed segment of this proceeding, please report the requested information for the collapsed entity. Parties are requested to (a) identify which companies subject to review previously were collapsed, and (b) provide a citation to the proceeding in which they were collapsed.

¹ Note: The use of the unit "containers" is for Q&V purposes and respondent selection. This does not imply that antidumping duty margins will be calculated based on this unit.

Market: United States	Total Quantity (In Containers ²)	Terms of Sale ³	Total Value ⁴ (\$U.S.)
1. Export Price ⁵			
2. Constructed Export Price ⁶			
3. Further Manufactured ⁷			
Total			

² One “container” equals one full 40-foot container. If you shipped any product in 20-foot, 40-foot high cubed, or other containers sizes, please convert those container shipments to the equivalent number of 40-foot regular containers (*e.g.*, two 20-foot containers = one 40-foot container; one 40-foot high cubed container = 1.13 40-foot regular container).

³ To the extent possible, sales values should be reported based on the same terms (*e.g.*, FOB).

⁴ Values should be expressed in U.S. dollars. Indicate any exchange rates used and their respective dates and sources.

⁵ Generally, a U.S. sale is classified as an export price sale when the first sale to an unaffiliated person occurs before the goods are imported into the United States.

⁶ Generally, a U.S. sale is classified as a constructed export price sale when the first sale to an unaffiliated person occurs after importation. However, if the first sale to the unaffiliated person is made by a person in the United States affiliated with the foreign exporter, constructed export price applies even if the sale occurs prior to importation. Do not report the sale to the affiliated party in the United States, rather report the sale made by the affiliated party to the unaffiliated customer in the United States. If you have sales of further manufactured merchandise, please report them under Item 3, rather than under Item 2.

⁷ “Further manufactured” refers to merchandise that undergoes further manufacture or assembly in the United States before sale to the first unaffiliated customer.

ATTACHMENT II DESCRIPTION OF PRODUCTS UNDER REVIEW

The product covered by the order is wooden bedroom furniture. Wooden bedroom furniture is generally, but not exclusively, designed, manufactured, and offered for sale in coordinated groups, or bedrooms, in which all of the individual pieces are of approximately the same style and approximately the same material and/or finish. ¹⁰ As used herein, bentwood means solid wood made pliable. Bentwood is wood that is brought to a curved shape by bending it while made pliable with moist heat or other agency and then set by cooling or drying. See CBP’s Headquarters Ruling Letter 043859, dated May 17, 1976.

¹¹ Any armoire, cabinet or other accent item for the purpose of storing jewelry, not to exceed 24 inches in width, 18 inches in depth, and 49 inches in height, including a minimum of 5 lined drawers lined with felt or felt-like material, at least one side door (whether or not the door is lined with felt or felt-like material), with necklace hangers, and a flip-top lid with inset mirror. The fully assembled piece must be at least 50 inches in height, 14.5 inches in width, and 3 inches in depth. Although the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of this proceeding is dispositive.

ATTACHMENT III GENERAL INSTRUCTIONS

Instructions for Filing the Response

The following instructions apply to all documents you submit to the Department during the course of this proceeding.

A. Due Date

1. All submissions must be made electronically using the Department's IA ACCESS website at <http://iaaccess.trade.gov>. If an exception to the electronic filing requirement applies, you must address and manually submit your response to the address indicated on the cover page of this questionnaire. To determine if your response qualifies for manual filing, see the section on "Manual Filing" below. All laws, regulations, and other descriptive materials that supplement your responses should be submitted on the same date as the initial response.
2. The **business proprietary** response should be submitted on the day specified on the cover page of this questionnaire. The **public version** of the response may be filed one business day after the proprietary response.
3. An electronically filed document must be received successfully in its entirety by IA ACCESS by 5 p.m. Eastern Time (ET) on the due date, unless an earlier time is specified. Where applicable, a submitter must manually file a document between the hours of 8:30 a.m. and 5 p.m. ET on the due date, unless an earlier time is specified.

B. Format

1. You are required to state in the upper right-hand corner of your cover letter the following information in the following format:
 - a. on the first line, indicate the case number stated on the cover page to this questionnaire;
 - b. on the second line, indicate the total number of pages in the document including cover pages, appendices, and any unnumbered pages;
 - c. on the third line, indicate the specific segment of the proceeding, (e.g., investigation, administrative review, scope inquiry, suspension agreement, etc.) and, if applicable, indicate the complete period covered (MM/DD/YY - MM/DD/YY);
 - d. on the fourth line, indicate the Department office conducting the

proceeding;

- e. on the fifth and subsequent lines, indicate whether any portion of the document contains business proprietary information and, if so, list the page numbers containing business proprietary information; and indicate the business proprietary/public status of the document and whether you agree or object to release of the submitted information under **administrative protective order** (APO) by stating one of the following:
 - “Business Proprietary Document -- May Be Released Under APO,”
 - “Business Proprietary Document -- May Not Be Released Under APO,”
 - “Business Proprietary/APO Version-- May Be Released Under APO,” as applicable,
 - “Public Version,” or
 - “Public Document.”
2. Please include a “Re:” line on the cover letter of your response, or any other submissions you make during this proceeding. In the Re: line, briefly summarize the purpose of your submission, e.g., “response to Quantity & Value questionnaire,” “case brief.”
3. Prepare your response in typed form and in English (see 351.303(d) and (e) for these and other formatting requirements). Include an original and translated version of all pertinent portions of non-English language documents that accompany your response, including financial statements.
4. It is your responsibility to contact the official in charge if subsequent to your filing there are events that affect your response (e.g., changes in your cost accounting system are relevant to antidumping proceedings, and changes as a result of an audit are relevant to both antidumping and CVD proceedings).

C. Manual Filing

1. **All submissions must be filed electronically.** Only under the following four circumstances will the Department accept a hardcopy response that is manually filed:
 - Documents exceeding 500 pages in length may be filed manually (in paper form) in the APO/Dockets Unit. This is referred to as a “bulky document.”
 - Data files greater than 20 MB must be filed manually on CD-ROM or DVD.
 - If the IA ACCESS system is unable to accept filings continuously or intermittently over the course of any period of time greater than one hour between 12:00 p.m. and 4:30 p.m. ET or for any duration of time between 4:31

p.m. and 5:00 p.m. ET, then a person may manually file the document in the APO/Dockets Unit. The Department will provide notice of such technical failures on the IA ACCESS Help Desk line at 202-482-3150 and on the IA website, which is <http://www.trade.gov/ia/>.

- Apart from the above, if you are unable to comply with the electronic filing requirement, as provided in § 351.103(c) of the Department's Regulations, and in accordance with section 782(c) of the Tariff Act of 1930, as amended (the Act), you must promptly notify the official in charge and submit a full written explanation of the reasons you are unable to file the document electronically. You must also suggest alternative forms in which to submit the information. The Department will consider the ability of a submitter and may modify the electronic filing requirement on a case-by-case basis.
2. All manually filed documents must be accompanied by a cover sheet generated in IA ACCESS. For manually filed bulky documents, separator sheets must also be generated and used.
 3. If your response qualifies as a bulky document and you opt to file it manually, you must file two identical paper copies of the document. For all other authorized manual submissions, only one paper copy is required.
 4. Manual submissions must be addressed and submitted to:
Secretary of Commerce
APO/Dockets Unit
Room 1870
U.S. Department of Commerce
Fourteenth Street and Constitution Avenue, N.W.
Washington, D.C. 20230
Attn: Import Administration
AD/CVD Operations, Office 4

D. Certification

1. Submit the required **certification of accuracy**. Providers of information and the person(s) submitting it, if different (e.g., a legal representative), must certify that they have read the submission and that the information submitted is accurate and complete. The Department cannot accept questionnaire responses that do not contain the certification statements. Forms for such certification are included as appendices to this questionnaire. You may photocopy this form and submit a completed copy with each of your submissions.
2. Provide the required **certificate of service** (included as an appendix) with each business proprietary document and public version submitted to the Department.
3. Signed certifications of accuracy and certificates of service should be scanned and

appended to the appropriate electronic documents filed in IA ACCESS.

E. Business Proprietary Information and Summarization of Business Proprietary Information

1. Request business proprietary treatment for information submitted that you do not wish to be made publicly available. As a general rule, the Department places all correspondence and submissions received in the course of an antidumping or countervailing duty proceeding in a public reading file. However, information deemed to be proprietary information will not be made available to the public. If you wish to make a request for proprietary treatment for particular information, refer to sections 351.304, 351.305, and 351.306 of the Department's regulations. You must submit the request for proprietary treatment at the same time as the claimed business proprietary information is submitted to the Department.
2. Utilize the "one-day lag rule" under section 351.303(c)(2) of the Department's regulations if you wish an additional day to review the final bracketing of business proprietary information in a document and to prepare the required public version. The filing requirements under the one-day lag rule provide for a party to file only the business proprietary document within the applicable time limit (section 351.303(c)(2)(i)). By the close of business one business day after the date the business proprietary document is filed, the person must file the complete final business proprietary document (section 351.303(c)(2)(i)(ii)). The final business proprietary document must be identical to the original document except for any bracketing corrections.
3. By the close of business one business day after the date the business proprietary document is filed (refer to the "one-day lag rule" in the preceding paragraph), submit the public version of your response (section 351.303(c)(2)(i)(iii)). A public version must contain:
 - (1) a non-proprietary (public) version of your response that is in sufficient detail to permit a reasonable understanding of the information submitted in confidence, and/or
 - (2) an itemization of particular information that you believe you are unable to summarize. State the reasons why you cannot summarize each piece of information.

Please note: The summarization requirement does not apply solely to the narrative portion of your response. It applies equally to worksheets and other appendices to your response, and even to sales and cost databases submitted in antidumping proceedings. Generally, numerical data, such as that provided in sales and cost databases in antidumping proceedings, are adequately summarized only if grouped or presented in terms of indices or figures ranged within 10 percent of the actual figure. If a particular portion of data is voluminous, use ranged figures for at least

one percent of the voluminous portion.

Responses, or portions thereof, that are not adequately summarized may be rejected from the record of this proceeding.

4. Submit the statements required regarding limited release of business proprietary information under the provisions of an APO. U.S. law permits limited disclosure to representatives of parties (e.g., legal counsel) of certain business proprietary information, including electronic business proprietary information, under an APO. (Note that data received under an APO cannot be shared with others who are not covered by the APO.) Under the provisions governing APO disclosure, you must submit either:
 - (1) a statement agreeing to permit the release under APO of information submitted by you in confidence during the course of the proceeding, or
 - (2) a statement itemizing those portions of the information which you believe should not be released under APO, together with arguments supporting your objections to that release.

We are required by our regulations to reject, at the time of filing, submissions of business proprietary information that do not contain one of these statements. As discussed above, you must state in the upper right-hand corner of the cover letter accompanying your questionnaire response whether you agree or object to release of the submitted information under APO (e.g., May Be Released Under APO or May Not Be Released Under APO). (See section 351.304 of the Department's regulations for specific instructions.²³)

5. Place brackets (“[]”) around information for which you request business proprietary treatment. Place double brackets (“[[]]”) around information for which you request proprietary treatment and which you do not agree to release under APO.
6. Provide to all parties whose representatives have been granted APO access and who are listed on the Department's most recent APO Service List, a complete copy of the submission--proprietary document and public version, except for that information which you do not agree to release under APO. (APO service lists, as well as public service lists, are maintained at <http://web.ita.doc.gov/ia/webapotrack.nsf> under the country, People's Republic of China, and the product, wooden bedroom furniture. If you exclude information because you do not agree to release it under APO, you must submit the complete business proprietary version, wherein information in double brackets has been

Wooden Bedroom Furniture from the People's Republic of China: Initiation of Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce

SUMMARY: The Department of Commerce ("Department") has received requests to conduct an administrative review of the antidumping duty order on wooden bedroom furniture from the People's Republic of China ("PRC"). The anniversary month of this order is January. In accordance with the Department's regulations, we are initiating this administrative review.

EFFECTIVE DATE: (Insert date of publication in the Federal Register).

FOR FURTHER INFORMATION CONTACT: Rebecca Pandolph or Patrick O'Connor, AD/CVD Operations, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, DC 20230, telephone: (202) 482-3627 or (202) 482-0989 respectively.

SUPPLEMENTARY INFORMATION:

Background

The Department received timely requests, in accordance with 19 CFR 351.213(b), for an administrative review of the antidumping duty order on wooden bedroom furniture from the PRC covering multiple entities.¹ The Department is now initiating an administrative review of the order covering those entities. All deadlines for the submission of various types of information,

¹ See Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order:

certifications, or comments or actions by the Department discussed below refer to the number of calendar days from the applicable starting time.

Notice of No Sales

If a producer or exporter named in this notice of initiation had no exports, sales, or entries during the period of review (“POR”), it must notify the Department within 60 days of publication of this notice in the Federal Register.² All submissions must be filed electronically at <http://iaaccess.trade.gov> in accordance with 19 CFR 351.303.³ Such submissions are subject to verification in accordance with section 782(i) of the Tariff Act of 1930, as amended (“Act”). Further, in accordance with 19 CFR 351.303(f)(3)(ii), a copy of each request must be served on the petitioner and each exporter or producer specified in the request.

Respondent Selection

Section 777A(c)(1) of the Act directs the Department to calculate individual dumping margins for each known exporter and producer of the subject merchandise. Where it is not practicable to examine all known producers/exporters of subject merchandise, section 777A(c)(2)(B) of the Act permits the Department to examine exporters and producers accounting for the largest volume of the subject merchandise from the exporting country that can be reasonably examined. Due to the large number of firms for which an administrative review of wooden bedroom furniture has been requested, and the Department’s experience regarding the resulting administrative burden of reviewing each company for which a request has been made,

Wooden Bedroom Furniture From the People's Republic of China, 70 FR 329 (January 4, 2005).

² Producers or exporters may also fulfill this requirement by submitting a properly filed and timely quantity and value (“Q&V”) questionnaire response that indicates that the entity or entities had no exports, sales, or entries of subject merchandise during the POR. See discussion infra providing further information regarding Q&V questionnaires.

³ See Antidumping and Countervailing Duty Proceedings: Electronic Filing Procedures: Administrative Protective

the Department is considering exercising its authority to limit the number of respondents selected for review in accordance with the Act.

In the event that the Department limits the number of respondents for individual examination in the administrative review of wooden bedroom furniture, the Department intends to select respondents based on volume data contained in responses to Q&V questionnaires. Further, the Department intends to limit the number of Q&V questionnaires issued in the review based on U.S. Customs and Border Protection (“CBP”) data for U.S. imports of wooden bedroom furniture from the PRC. Since the units used to measure import quantities are not consistent across the Harmonized Tariff Schedule of the United States headings identified in the scope of the order on wooden bedroom furniture from the PRC, the Department will limit the number of Q&V questionnaires issued based on the import values in CBP data which will serve as a proxy for import quantities. Parties subject to the review to which the Department does not send a Q&V questionnaire may file a response to the Q&V questionnaire by the applicable deadline if they desire to be included in the pool of companies from which the Department will select mandatory respondents. Parties will be given the opportunity to comment on the CBP data used by the Department to limit the number of Q&V questionnaires issued. We intend to release the CBP data under administrative protective order (“APO”) to all parties having an APO within seven days of publication of this notice in the Federal Register. The Department invites comments regarding CBP data and respondent selection within five days of placement of the CBP data on the record.

In this case, the Department has decided to send Q&V questionnaires to the 20

companies for which reviews were requested with the largest total values of subject merchandise imported into the United States during the POR according to CBP data. The Department will issue the Q&V questionnaires the day after this notice is signed. In addition, the Q&V questionnaire will be available on the Department's website at <<http://trade.gov/ia/>> on the date this notice is signed. The responses to the Q&V questionnaire must be received by the Department by March 15, 2012. Please be advised that due to the time constraints imposed by the statutory and regulatory deadlines for antidumping duty administrative reviews, the Department does not intend to grant any extensions for the submission of responses to the Q&V questionnaire.

In general, the Department has found that determinations concerning whether particular companies should be "collapsed" (i.e., treated as a single entity for purposes of calculating antidumping duty rates) require a substantial amount of detailed information and analysis, which often require follow-up questions and analysis. Accordingly, the Department will not conduct collapsing analyses at the respondent selection phase of this review and will not collapse companies at the respondent selection phase unless there has been a determination to collapse certain companies in a previous segment of this antidumping proceeding (i.e., investigation, administrative review, new shipper review or changed circumstances review). For any company subject to this review, if the Department determined, or continued to treat, that company as collapsed with others, the Department will assume that such companies continue to operate in the same manner and will collapse them for respondent selection purposes. Otherwise, the Department will not collapse companies for purposes of respondent selection. Parties are requested to (a) identify which companies subject to review previously were collapsed, and (b)

provide a citation to the proceeding in which they were collapsed. Further, if companies are requested to complete the Q&V questionnaire for purposes of respondent selection, in general each company must report Q&V data separately for itself. Parties should not include data for any other party, even if they believe they should be treated as a single entity with that other party. If a company was collapsed with another company or companies in the most recently completed segment of this proceeding where the Department considered collapsing that entity, complete quantity and value data for that collapsed entity must be submitted.

Deadline for Withdrawal of Request for Administrative Review

Pursuant to 19 CFR 351.213(d)(1), a party that has requested a review may withdraw that request within 90 days of the date of publication of the notice of initiation of the requested review. The regulation provides that the Department may extend this time if it is reasonable to do so. In order to provide parties additional certainty with respect to when the Department will exercise its discretion to extend this 90-day deadline, interested parties are advised that, with regard to reviews requested on the basis of anniversary months on or after August 2011, the Department does not intend to extend the 90-day deadline unless the requestor demonstrates that an extraordinary circumstance has prevented it from submitting a timely withdrawal request. Determinations by the Department to extend the 90-day deadline will be made on a case-by-case basis.

Separate Rates

In proceedings involving non-market economy (“NME”) countries, the Department begins with a rebuttable presumption that all companies within the country are subject to government control and, thus, should be assigned a single antidumping duty deposit rate. It is

the Department's policy to assign all exporters of merchandise subject to an administrative review in an NME country this single rate unless an exporter can demonstrate that it is sufficiently independent so as to be entitled to a separate rate.

To establish whether a firm is sufficiently independent from government control of its export activities to be entitled to a separate rate, the Department analyzes each entity exporting the subject merchandise under criteria arising from the Final Determination of Sales at Less Than Fair Value: Sparklers from the People's Republic of China, 56 FR 20588 (May 6, 1991), as amplified by Final Determination of Sales at Less Than Fair Value: Silicon Carbide from the People's Republic of China, 59 FR 22585 (May 2, 1994). In accordance with the separate-rates test, the Department assigns separate rates to companies in NME cases only if respondents can demonstrate the absence of both de jure and de facto government control over export activities.

All firms listed below that wish to qualify for separate-rate status in this administrative review must complete, as appropriate, either a separate-rate certification or application, as described below. In order to demonstrate separate-rate eligibility, the Department requires entities for which a review was requested and that were assigned a separate rate in the most recent segment of this proceeding in which they participated, to certify that they continue to meet the criteria for obtaining a separate rate. The Separate Rate Certification form will be available on the Department's website at <<http://ia.ita.doc.gov/nme/nme-sep-rate.html>>. In responding to the certification, please follow the "Instructions for Filing the Certification" in the Separate Rate Certification. Separate Rate Certifications are due to the Department no later than 60 days after publication of this Federal Register notice. The deadline and requirement for submitting a Certification applies equally to NME-owned firms, wholly foreign-owned firms, and foreign

sellers who purchase and export subject merchandise to the United States.

Entities that currently do not have a separate rate from a completed segment of the proceeding⁴ should timely file a Separate Rate Application to demonstrate eligibility for a separate rate in this proceeding. In addition, companies that received a separate rate in a completed segment of the proceeding that have subsequently made changes, including, but not limited to, changes to corporate structure, acquisitions of new companies or facilities, or changes to their official company name,⁵ should timely file a Separate Rate Application to demonstrate eligibility for a separate rate in this proceeding. The Separate Rate Application will be available on the Department's website at <<http://ia.ita.doc.gov/nme/nme-sep-rate.html>>. In responding to the Separate Rate Application, refer to the instructions contained in the application. Separate Rate Applications are due to the Department no later than 60 calendar days after publication of this Federal Register notice. The deadline and requirement for submitting a Separate Rate Application applies equally to NME-owned firms, wholly foreign-owned firms, and foreign sellers that purchase and export subject merchandise to the United States.

For exporters and producers who submit a separate-rate application or certification and subsequently are selected as mandatory respondents, these exporters and producers will no longer be eligible for separate-rate status unless they respond to all parts of the questionnaire as mandatory respondents.

⁴ Such entities include entities that have not participated in the proceeding, entities that were preliminarily granted a separate rate in any currently incomplete segment of the proceedings (e.g., an ongoing administrative review, new shipper review, etc.) and entities that lost their separate rate in the most recently completed segment of the proceeding in which they participated.

⁵ Only changes to the official company name, rather than trade names, need to be addressed via a Separate Rate Application. Information regarding new trade names may be submitted via a Separate Rate Certification.

Notification

This notice constitutes public notification to all firms for which an administrative review of wooden bedroom furniture has been requested and that are seeking separate rate status in that review, that they must submit a timely Separate Rate Application or Certification (as appropriate) as described above, in order to receive consideration for separate-rate status. Firms to which the Department issues a Q&V questionnaire must submit a timely and complete response to the Q&V questionnaire, in addition to a timely and complete Separate Rate Application or Certification in order to receive consideration for separate-rate status. In other words, the Department will not give consideration to any timely Separate Rate Certification or Application made by parties to whom the Department issued a Q&V questionnaire but who failed to respond in a timely manner to the Q&V questionnaire. Exporters subject to the review to which the Department does *not* send a Q&V questionnaire may receive consideration for separate-rate status if they file a timely Separate Rate Application or a timely Separate Rate Certification without filing a response to the Q&V questionnaire. All information submitted by respondents in this administrative review is subject to verification. As noted above, the Separate Rate Certification, the Separate Rate Application, and the Q&V questionnaire will be available on the Department's website on the date of publication of this notice in the Federal Register.

During any administrative review covering all or part of a period falling between the first and second or third and fourth anniversary of the publication of an antidumping duty order under 19 CFR 351.211 or a determination under 19 CFR 351.218(f)(4) to continue an order or suspended investigation (after sunset review), the Secretary, if requested by a domestic interested party within 30 days of the date of publication of the notice of initiation of the review, will determine, consistent with FAG Italia v. United States, 291 F.3d 806 (Fed. Cir. 2002), as appropriate, whether antidumping duties have been absorbed by an exporter or producer subject to the review if the subject merchandise is sold in the United States through an importer that is affiliated with such exporter or producer. The request must include the name(s) of the exporter or producer for which the inquiry is requested.

Interested parties must submit applications for disclosure under administrative protective orders in accordance with 19 CFR 351.305. On January 22, 2008, the Department published Antidumping and Countervailing Duty Proceedings: Documents Submission Procedures; APO

Procedures, 73 FR 3634 (January 22, 2008). Those procedures apply to the administrative review of the antidumping duty order on wooden bedroom furniture from the PRC which is being initiated through this notice. Parties that wish to participate in the antidumping duty administrative review of wooden bedroom furniture from the PRC should ensure that they meet the requirements in these procedures (e.g. the filing of separate letters of appearance as discussed in 19 CFR 351.103 (d)).

Any party submitting factual information in an antidumping duty or countervailing duty proceeding must certify to the accuracy and completeness of that information.⁶ Parties are hereby reminded that revised certification requirements are in effect for company/government officials as well as their representatives in all segments of any antidumping duty or countervailing duty proceedings initiated on or after March 14, 2011.⁷ The formats for the revised certifications are provided at the end of the Interim Final Rule. The Department intends to reject factual submissions in any proceeding segments initiated on or after March 14, 2011 if the submitting party does not comply with the revised certification requirements.

This initiation and notice are in accordance with section 751(a) of the Act (19 USC 1675(a)), and 19 CFR 351.221(c)(1)(i).
