General Comment

Docket Number ITA-2010-0012

Re: RIN 0625-AA81

The proposed regulations for 400.42(a) state "Any rates, charges or penalties paid by zone participants related to grantee functions shall be paid directly to the grantee (or, where applicable, to another public entity pursuant to a legal or contractual relationship with the grantee)."

I respectfully request a change to include "or private nonprofit entity" as written below:

"Any rates, charges or penalties paid by zone participants related to grantee functions shall be paid directly to the grantee (or, where applicable, to another public entity OR PRIVATE NONPROFIT ENTITY pursuant to a legal or contractual relationship with the grantee)."
